Regional Group #27

March 2022

## From The President:

Hello Club Members.

Happy March to you all.

First off I need to share the sad news that we lost one of our members this past week. Earlene Barker was a long time member with her husband Peter. Dave and I have so many great memories with them on tours and events with our club. Our club will miss Peter and Earlene.

Dave and I actually took our Falcon to the Napa Outlet Car Show this month. This car is amazing and looks exactly like the Falcon he drove 50 years ago. The only problem is that Dave and I aren't the same size we were 50 years ago and it's not very comfortable to ride in. Dave is going to get creative with the seats and we will soon be able to enjoy the ride.

Dave has been working on the 37 Tudor Sedan installing the new firewall. It looks amazing and ready for the new updated engine. We have had Dave's friend Tom from Oregon here this past week working with Dave painting, sanding and welding. Dave is working so hard to make the car look and run perfect. (Thank you Tom)

We are excited to get our reservations all set for the Western National Meet in Wenatchee. If you would like more information you can get in touch with me and I can help you get registered. The dates are July 11 – 14, 2022. We are thinking that we may have 16 cars attending the Meet.

As of Today we are still planning on going forward with the Swap Meet in Petaluma. The date is set for Sunday, May 15<sup>th</sup>. As of right now we are planning on having our first back to normal meeting at the Round Table Pizza on April 12<sup>th</sup>. We will finalize all the Swap Meet plans and work schedules at the meeting.

Just a Reminder: Patty is working on the Club Roster and if you haven't paid your dues your name will not be listed. Send your check for \$25.00 to Redwood Empire Regional Group #27. P.O. Box 3302, Santa Rosa, CA 95402.

Hopefully this will be our last Club Zoom Meeting, Scheduled March 8<sup>th</sup> at 7:00.

Meeting ID: 283 760 6253 with Passcode: kx4Xq

With the nice weather we hope you will get a chance to get out your old Fords and take a ride. The mustard plants are in full bloom and it's beautiful this time of year. Perfect cool weather for the flat head engines.

Hope to see you all at our Zoom Meeting. Stay safe and well.

Carol

## GNRS 2022

The last weekend in January usually brings us the Grand National Roadster Show in Pomona, however it was cancelled last year due to Covid, but it was back on this year, so Lloyd Godwin, Dave Simonds and I loaded up and made the trek south on Saturday, we arrived in the early afternoon spent a few hours checking out all the outside cars on display along with a few thousand other spectators, there was quite the crowd on Saturday and the weather was picture perfect. Sunday there are a lot fewer people and a lot fewer outdoor cars on display, but it made it a lot easier to check out all the indoor show cars, so we spent most of the day taking our time and really enjoying all the cars on display, along with talking to the vendors and a few club members that we ran into. overall, a great show this year, glad we made the trip. after a good night's rest, we headed home on Monday.

**My V8 by (club member)**

We would like to feature your car in the Club Newsletter so would encourage you to write a short story about the car so we can share in the enjoyment of your V8.

You may include pictures, history of car, outstanding features of the vehicle and what you've been doing on it lately, and any other facts of interest to other club members .

You can also tell us about the work you have done on your car and the glitches you have overcome to fix these problems.

We are hoping to make this a regular feature in our newsletter so we do need input from our members.

For more information, please contact Juanita at 707 293 3945 (text) or email [buffet55@comcast.net](mailto:buffet55@comcast.net).

Articles for the V8 Club Newsletter are due by the third weekend of the month and in the WORD format. Thank you, this will be a great help in putting the Newsletter together and getting it out on time.
