

REDWOOD REVIEW

Regional Group #27
Volume 58

October 2026
Issue 10

From The President:

Well, here we are in October, summer is in the rearview mirror and fall is ahead bringing cooler temps and shorter days. Looks like October is fairly quiet with regards to club activities, but there are a few cars shows in the area in October. Speaking of car activities, we just returned from the Miranda Tour. It was a great trip, although it was a little smaller group as compared to years past. I know everyone's schedule gets filled up in the summer and not everyone can make it every year, along with the fact that the new owners have drastically raised the prices for the cabins. With all that in mind, Julie and I have decided that next year will be our last year hosting the Miranda Tour. That does not mean the end of the Miranda Tour, just the last year for us hosting, anyone is welcome to take it over and keep it going. I know a lot of people really enjoy heading North to the Redwoods in September and look forward to the tour, so hopefully someone will pick it up and keep it going. Not much else going on as far as club business is concerned, October is a little quiet then we have the Turkey Trot in November and the Christmas Brunch in December, oh man, I can't believe I am already talking about Christmas. Alright, enough if that, see you at the meeting.

Sturgeon Mill Tour

The many members of our Early Ford V8 Clubs, Redwood Empire #27 and Central San Joaquin #29 along with the Mountain Road Rattlers, joined together at Sebastopol's Sturgeon Mill, a living steam-powered museum. We added to the day, displaying our 19 vintage cars of that same working era and lined up the cars from our early arrival. Since we were the first there that morning, we were privately invited to take our group portrait. After a great lunch, we were escorted by our president, Mike Buegeleisen, our "Scout", who led us on the rest of our tour to the Castelli's museum ranch to enjoy the many collectables and displays of cars, toys and memorabilia. Many snacks were donated by our members. This was a fabulous, gorgeous day with our traveling friends. Altogether 75. . . , "and then there was cake!"

MIRANDA TOUR

We had five old cars and two modern cars that left Healdsburg Friday morning for the trip up to Miranda. After our usual stop in Willits at the Burger King for a bathroom break, we headed north and stopped at our usual Rest Stop for a running board lunch. We then headed North and made it to Miranda around 2:30. After everyone checked in, we rested until dinner time where everyone gathered and barbequed on the new grill in the gazebo and had dinner on the new deck in the patio area. Saturday, we headed north up to Samoa where we visited the Timber Heritage Museum. We had a very nice Docent that took us around and talked about the early days of timber harvesting and transporting the trees to the mills. After a very nice tour, we headed to Eureka to Jack's Seafood Restaurant for lunch. After lunch of course we had to walk over to the nearby Chocolate Store. On the trip back to Miranda some folks stopped in Fortuna at the Frozen Yogurt Store. Saturday Night, we changed things up a little from our usual Costco Hot Dog dinner to Lasagna which Julie and Bev both cooked in their ovens. It was a nice change to go along with our left-over salads and desserts from the previous night. The Miranda Resort was beautiful and clean and the Redwoods were gorgeous and everyone had a great time. A big thanks to everyone that brought a salad and or desert, and a really big thanks to the Tamagno's for hosting a continental breakfast in their cabin Saturday and Sunday morning. Sunday, we headed home and most everyone stopped in Cloverdale at Mountain Mikes Pizza for lunch and afterwords we said our goodbyes and headed home. Another great Miranda trip in the books.

CORNER

The V8 Chicks lunch at the Twins restaurant in Cotati was a delightful event. The number of attendees was manageable with 16 members arriving. Donna Frederick had decorated the table with lavender and white faux flowers and little candles in little glass vases nestled on lavender straw. She also provided lavender bags with chocolate goodies. Everyone enjoyed the food and great service by the Twins (yes they really are) and then we had Beignets provided by Pat. These gatherings are a great way for the ladies to share the happenings in their lives away from the rumble of those V8s. We are all looking forward to the next one in October.
